

Ref: C-CAMP/W-047/2021-22(C)

July 01, 2021

ENQUIRY

Dear Sirs,

Please let us have your lowest quotation for the following:

Sl.No.	Item/s description
1	Website development for C-CAMP Bio Medical Innovations Programme C-CAMP is running Apache along with PHP on a Linux environment (Centos flavored Linux). "All the webistes and applications are hosted in Drupal CMS with Mysql/MariaDB. It is preferable to have this set-up in Drupal8 CMS considering the long term maintenance". Detailed specifications as below.

Note:

1. The quotation shall be submitted in a sealed envelope duly superscribed with the enquiry number, and the due date for Ref No:..... The bids should be addressed and to be mailed / couriered (sent by post/courier) to 'THE HEAD-PURCHASE'.

The bids are liable to be rejected if the sealed envelope is not addressed to "THE HEAD-PURCHASE" with Tender Ref No. and Item Description and due date. The bids delivered in person shall be dropped in Purchase Section. If the bids are sent through courier or mail, it should reach by submission date and time and CCAMP/NCBS will not be responsible for the delay.

2. DUE DATE FOR SUBMISSION OF QUOTATION AGAINST THIS ENQUIRY IS 20/7/2021 BY 5.30PM.

3. QUOTATIONS RECEIVED AFTER THE DUE DATE SHALL BE REJECTED.

4. The validity of your quotation should be for 60 days from the due date.

5. All duties, taxes, surcharge and cess as currently applicable must be stated in your quotation, separately. Otherwise your quote is liable to be rejected.

6. Your quotation should indicate delivery period & warranty period.

7. Delivery to be made to our stores. Please indicate charges, if any extra. Transit Insurance should be done upto CCAMP Stores.

8. If you are unable to supply the quality, specifications or brand as mentioned in our enquiry, please state so and then offer alternative to quality/specifications.

9. Payment: within one month after delivery & acceptance/satisfactory installation.

10. Please ensure that the enquiry number and the due date is superscribed on the envelope failing which your quotation is liable to be rejected.

11. If the item is covered under DGS&D rate contract, please quote the rate as per the DGS&D rate contract with xerox copy of the DGS&D order.

12. Any dispute or differences that may arise between the parties shall be referred to the sole arbitration of the Centre Director or his nominees. The decision of the arbitrator shall be final and binding on the parties. The venue for arbitration shall be Bangalore. The provisions of the Arbitration and Conciliation Act, 1996 as amended from time to time shall apply. The courts in Bangalore shall have exclusive jurisdiction to deal with any or all disputes between the parties

13. Since we are a research institution, we are exempted from paying Customs duty (Except advolcerum duty of 5% + 2% Cess and 1% Cus Sec & High Edu. CESS vide Notification No.51/96 with latest

amendments) and excise duty vide Notification No. 10/97 CENTRAL EXCISE dated 01-03-1997 for all scientific equipments, technical instruments, equipments (including computers), their accessories, spares, consumables and software. Hence, please offer your prices

14. If the item is covered under DGS&D rate contract, please quote the rate as per the DGS&D rate contract with xerox copy of the DGS&D order.

15. CCAMP is a public funded research institute and is entitled to concessional rate of GST @ 5% for certain items supplied for research purpose vide notification no. 47/2017 and 45/2017 dated 14th Nov, 2017. The offer should be submitted after fully considering the above notification.

16. Liquidity Damages: If the equipment/ items as per specifications in our P.O. is not supplied (shipped) within the specified delivery schedule, then liquidated damages (not in terms of penalty) will be imposed automatically and shall be deducted from the bill at the rate of 0.5% per week subject to a maximum of 10% of the order value.

17. Income Tax at the applicable rates as per the Indian Income Tax Act 1961 will be deducted at source for the services availed / ordered. In case of service provider, the rate of tax deduction shall be at 2% as per Section 194C, and in case of fee for professional / technical services

CCAMP Bio medical innovations programme

Bio Medical Innovations Programme

Vision

To catalyse all stages of the bio medical innovations process

Mission statement

To train young graduate and post graduate medical doctors, engineers in a cross specialisation setting while addressing real time problems

- With didactic lectures about the innovative process
- With monitoring of time bound activity
- With empowerment of local faculty

General instructions (Slides 2,3,4,5)

.) The website will be accessible from a tab on the CCAMP website

Which is linked to the BIO MEDICAL INNOVATION OUTREACH PROGRAMM

;) The initial pages are open access , and contain static information.

;) Once we enter the password protected pages , only those with passwords can proceed

Method to make a password ,and role based access to be defined-)

4) The initial pages,mission, vision, can scroll or be static. Rest of pages should not have scrolling component if possible.

;) The website will be hosted on the CCAMP server (language compatibility to be insured).

;) A web interface to be developed for the CCAMP team to modify the content .

Bio Medical Innovations Outreach Programme

MISSION STATEMENT

- To educate the teams about the bio innovation entrepreneurship process
- To create a talent pool of trained manpower
- To ensure mature team members of all disciplines
- For bio innovation entrepreneurship in India

Display of participating institutions

Slide 7,8)

This will be gradually increasing , hence we need to plan how to accommodate various logos

Also the twinning process , needs to be highlighted . That is one engineering college and one medical college.

The logos are tabs, which when clicked on leads the next page information regarding Medical and Engineering colleges will be provided by the respective institutions or drawn from their websites

: NITTE Medical....

: NITTE Engineering....

business end of the website begins

This format can be as shown , or can be modified as per the designer's vision.

However note the division of the website into archived didactic lectures (embedded link) and Data entry portal is to be maintained.

This is to permit the participants to readily refer the materials in the didactic lectures while discussion or planning.

Again materials for the didactic lectures will be provided

ie slide 11

This may be a read only .. Or a contact portal. That is a linked tab with name.. Whereby messages can be sent to their email id..or to a dedicated chat box..

This to permit external messages to be conveyed .

Need for CAPTCHA

Engineering

Administrative

e slide 13

This could be a part of slide 11 .

The password generation could be in the hands of the admin..either in CCAMP or in the respective Twinned institution.

This is accessible to admin and the members only and would be changed once in 3 month.

TE University |

Password

TEU

e slide 15

The ability to populate it with team members should be with the admin , and the local medical and engineering head designated .

This is permit shuffling or addition of team members.

All team members should have ID no (college), Tel No , email id

Also note the didactic lectures begin from here..

The ability to view didactic lectures should be from all subsequent pages .. As a short cut or page link

Also note the number of teams could be very large so we should find way to increase space.. Unique Id no with name ?

e slide 17

This slide is the key slide..

Each of the steps in the innovation process has a tab ,which leads to subsequent slides which archives the process of that step

The archive can be typewritten or video format . But real time..

Also all these steps are under each team heading.

The steps are only the preliminary steps..these are underlined The other remaining is listed in slide 18 for reference only

Bio Medical Innovations Outreach Programme

MISSION STATEMENT

se 1: To identify real time problems

- To create a team ecosystem of doctors and engineers
- To encourage cross specialisation discussion and ideation
- To empower local faculty
- To mentor the teams through the product cycle

se 2: To include other disciplines like social sciences, humanities and arts in the innovation team

Bio Medical Innovations Outreach Programme

VISION

To promote seamless integration of
the bio medical innovation process
with standard curriculum
in Indian universities
by encouraging cross-specialisation ideation
